

# Do your laundry – without soap or hot water !

“ PureWash Pro” requires NO soap, No hot water and your laundry comes out cleaner, fluffier and sanitized without soap or hot water.

This remarkable new device can revolutionize  
the way we do laundry!

UV lamps allow the unit to insert millions of tiny ozone bubbles  
into the wash and rinse waters. Hot water is never needed.

- No need for soap or fabric softeners anymore.
- Eliminate allergens caused by soap and additives.
- Clothes will last longer, retain color longer & smell fresh.
- Good for your pipes & septic tank too.
- Your wastewater will be 100% non-polluting.

You can be good to your clothes and the environment!
